PRICE DOES NOT INCLUDE

VAT

Fuel surcharge charged according to the rates listed at www.geis.sk

STANDARD FUEL SURCHARGE RATES

The fuel surcharge is based on the diesel price reported by the Slovak Statistical Office.

The fuel surcharge rate for road transport is directly based on the average price of diesel* reported by the Statistical Office of the Slovak Republic and published weekly on the Statistical Office's website:

<http://bit.ly/430FPYN>

Average fuel prices in Slovakia (weekly)

* Average price of diesel in Slovakia (EUR / liter)	Fuel surcharge
less than 1,001	0%
1,001 - 1,186	3%
1,187 - 1,372	6%
1,373 - 1,558	9%
1,559 - 1,744	12%
1,745 - 1,930	15%
1,931 - 2,116	18%

If the average price of diesel fuel in Slovakia rises above the highest value listed in the table (2.116), the fuel surcharge will be increased by 1% for every 0.04 EUR.

The **fuel surcharge** is calculated based on the net transport price according to the current Geis SK s.r.o. price list, excluding additional fees such as tolls, etc.

The **fuel surcharge** is determined based on the average diesel price* reported by the Statistical Office of the Slovak Republic for the penultimate complete week of the previous calendar month and applies for the entire following calendar month.

The **fuel surcharge** is always listed separately on the transport invoice.
